Hi Everyone,

As far as this coupon is concerned, I don't believe many people are aware of this cuz I haven't seen anyone talking about it in WF.

Well, here's the info. Enjoy! ☺

For those of you who are not advertising on facebook already (and even if you are) and want to give it a try, now there is a completely free way to test the waters.

As part of the Visa Business promotion, Visa are offering \$100 USD in advertising credit to facebook users/advertisers. To get the free credit all you need to do is...

Log into <http://www.facebook.com/> and add the [http://apps.facebook.com/visabusiness/sign\\_up](http://apps.facebook.com/visabusiness/sign_up). Once added, Facebook will send you a coupon code with instructions on how to add the credit to your account.

Perfect if you want to test the waters on Facebook and perfect if you're already spending a fortune with them. There's more to PPC than just the big three :)

Well, that's it! Easy enough, eh?

As an added bonus, you can grab my FREE report on "[How To Get TOP Ranking For Your Keyword In 21 Days!](#)" right here!

I was in a SEO contest held by Kelvin Hui and I was one of the TOP 3 competitors. Currently my blog is in No.1 position.

I've written a step-by-step guide for anyone to rank his site in the first page in 21 days.

Many of the competitors wanted to see my report but I kept it a secret for a while. But it's your lucky day cuz it's yours now FREE of charge. ☺
